Mae ein clybiau wedi ail-gychwyn, a bellach mae amserlen wythnosol wedi ei rannu gyda'r disgyblion yn nodi'n glir pa weithgareddau sydd ar gael bob diwrnod. Mae rhywbeth ar gael at ddant pawb e.e. Dear parents / guardian

At the end of a very busy half term, it is pleasing to be able to contact you to update you about our arrangements and procedures and share news.

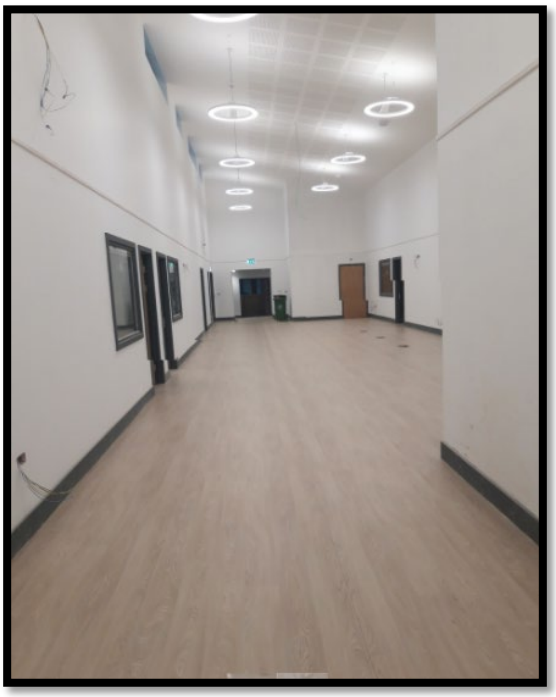
It has been a busy half term both academically and extra-curricular. Our clubs have re-started, and a weekly timetable shared with the pupils, clearly indicating what activities are available each day. There is something available to suit everyone's taste e.g. Sports clubs (rugby, football, Clwb y Gorwel etc. We trust that these opportunities will build self-confidence and provide opportunities to develop the wider skills of our pupils. Our sports teams – rugby, football and netball have played games against local schools with considerable success and we look forward to a full year of opportunities for pupils from all age groups.

We have re-started our charity work and raised money and awareness of different good causes. On #Hello Yellow day, a charity that supports the mental health of the young a considerable sum was raised by pupils at the School by wearing yellow clothing and participating in fun activities during the day.

There was a great deal of 'hwyl' on Shwmae Sumae day with an array of activities during the day. It was wonderful to see the pupils in their red, white and green celebrating their Welsh identity.

Construction of Phase 3 Ystalyfera site

The building is now almost ready, and we look forward to receiving the keys on 10th December. As you can see from the pictures, it is a fantastic building and the link bridge from Eirion to Darren is now complete.



Safeguarding: We held a very successful PSE day on 13th October with visitors providing bespoke experiences for pupils across the school. We focused on Racism with a 'Show Racism the Red Card' workshop, Web Safety with PC Cerian Hughes and a drug and alcohol workshop with WCADA. The Fire Brigade came to the school to educate our pupils about the dangers of fire and we had a Road Safety workshop. We are very grateful to our partners for their extremely valuable contributions to the development of our students.

November Examinations:

I would like to wish Year 11 pupils who will be sitting Mathematics examinations in November well and remind them to revise and complete the past-papers over the holidays.

Canolfan Gwenallt:

Our PSE day on October 13th, focused on Aiming higher, Preparing for University and also Welsh in the workplace. I would like to thank our partners at Swansea University and UWTSD and also Cardiff Met, the Coleg Cymraeg and Menter Iaith for their excellent presentations and workshops. Congratulations to a large number of Year 13 pupils who have submitted their UCAS applications to universities, we wish them every success in their interviews:

Oxford University:
Sophie Richards (Biology), Jacob Hancock (Computer Science), Nancy Morse (English)
Cambridge University:
Evie Rees (English)
Medicine:
Seren Jones, Joy Hall, Molly Davis
Veterinary Science:
Hannah Lewis, Eleah Chapman ac Ashley Heywood
Following a gap year
Sophie Jones (Medicine) and Osian Davies (Dentistry).

Our transition programme for Year 11 pupils to our 6th form *'Canolfan Gwenallt'* has started and there will be a further programme of events during the next half term.

Covid strategies:

We continue to follow the Welsh Government's new framework on COVID-19 infection control in schools and have already put measures in place. The main focus of the framework is to prevent infection from reaching the School. It is clearly stated in the documentation that:

- 'Anyone who tests positive for COVID-19 must self-isolate and not come to school.
- Anyone who develops symptoms should also self-isolate and arrange a test'.

In addition, our risk assessment states:

- Pupils should wear masks in community settings (**please could you ensure that your child has their own face covering for School**)

Important information:

We now have a new website with copies of all the letters, pupil's work and a host of other things for your attention. The website address is: ysgolystalyferabrodur.cymru

Also, remember to follow us on our Twitter account, which is: @bro_dur where we display pictures of pupils and activities along with often important information. If you do not receive messages to your email
