

BRECHIADAU COVID VACCINATIONS

Gyda brechiadau COVID-19 bellach yn cael eu cynnig i blant a phobl ifanc rhwng 12 a 15 oed yn Abertawe a Chastell-nedd Port Talbot, mae'n naturiol y bydd gan rieni, gofalwyr a phobl ifanc eu hunain gwestiynau am hyn.

Mae gwefan Prifysgol Bae Abertawe'n ffynhonnell wybodaeth wych, ac mae'n cynnwys tudalen â chynghor a chwestiynau cyffredin am frechiad COVID-19 i'r grŵp oedran hwn. Os nad ydych chi na'ch plentyn yn gallu mynd i'ch apwyntiad brechiad, rhowch wybod i'r Bwrdd Iechyd cyn gynted â phosib drwy ffonio 01792 200492 neu 01639 862323 rhwng 9am a 5pm ddydd Llun i ddydd Sadwrn, neu e-bostiwch: sbu.covidbookingteam@wales.nhs.uk. Bydd hyn yn golygu y gallant gynnig dyddiad arall i chi, a rhoi'ch apwyntiad gwreiddiol i rywun arall yn hytrach na'i wastraffu.

With Covid-19 vaccinations now being offered to children and young people aged 12-15 in Swansea and Neath Port Talbot, it is natural that parents, carers and young people themselves will have questions about this.

The Swansea Bay University website is an excellent source of information, and contains a page with advice and FAQs on Covid-19 vaccination for this age group. More details here <https://sbuhb.nhs.wales/go/covid-vaccination-under-18s/12-15>

If you or your child can't attend your vaccination appointment please let the Health Board know as soon as possible by phoning 01792 200492 or 01639 862323 between 9am and 5pm Monday to Saturday or emailing: sbu.covidbookingteam@wales.nhs.uk. This will mean they can offer you an alternative date and that your original appointment can be given to someone else rather than wasted.
